About CanAvenue

CanAvenue is a free, independent English learning platform launched in 2024 by New Language Solutions. It is designed to support newcomers and other learners who need flexible, self-paced opportunities to practice English and learn about Canadian culture.

Who is CanAvenue for?

- Newcomers on waitlists for LINC and ESL programs
- Learners currently enrolled in funded programs but seeking additional resources
- Anyone wanting flexible, independent English practice
- Prospective immigrants in pre-arrival mode

Learning Opportunities and Resources on CanAvenue

Multi-level English course (Levels 2–7):

4-part Citizenship course:

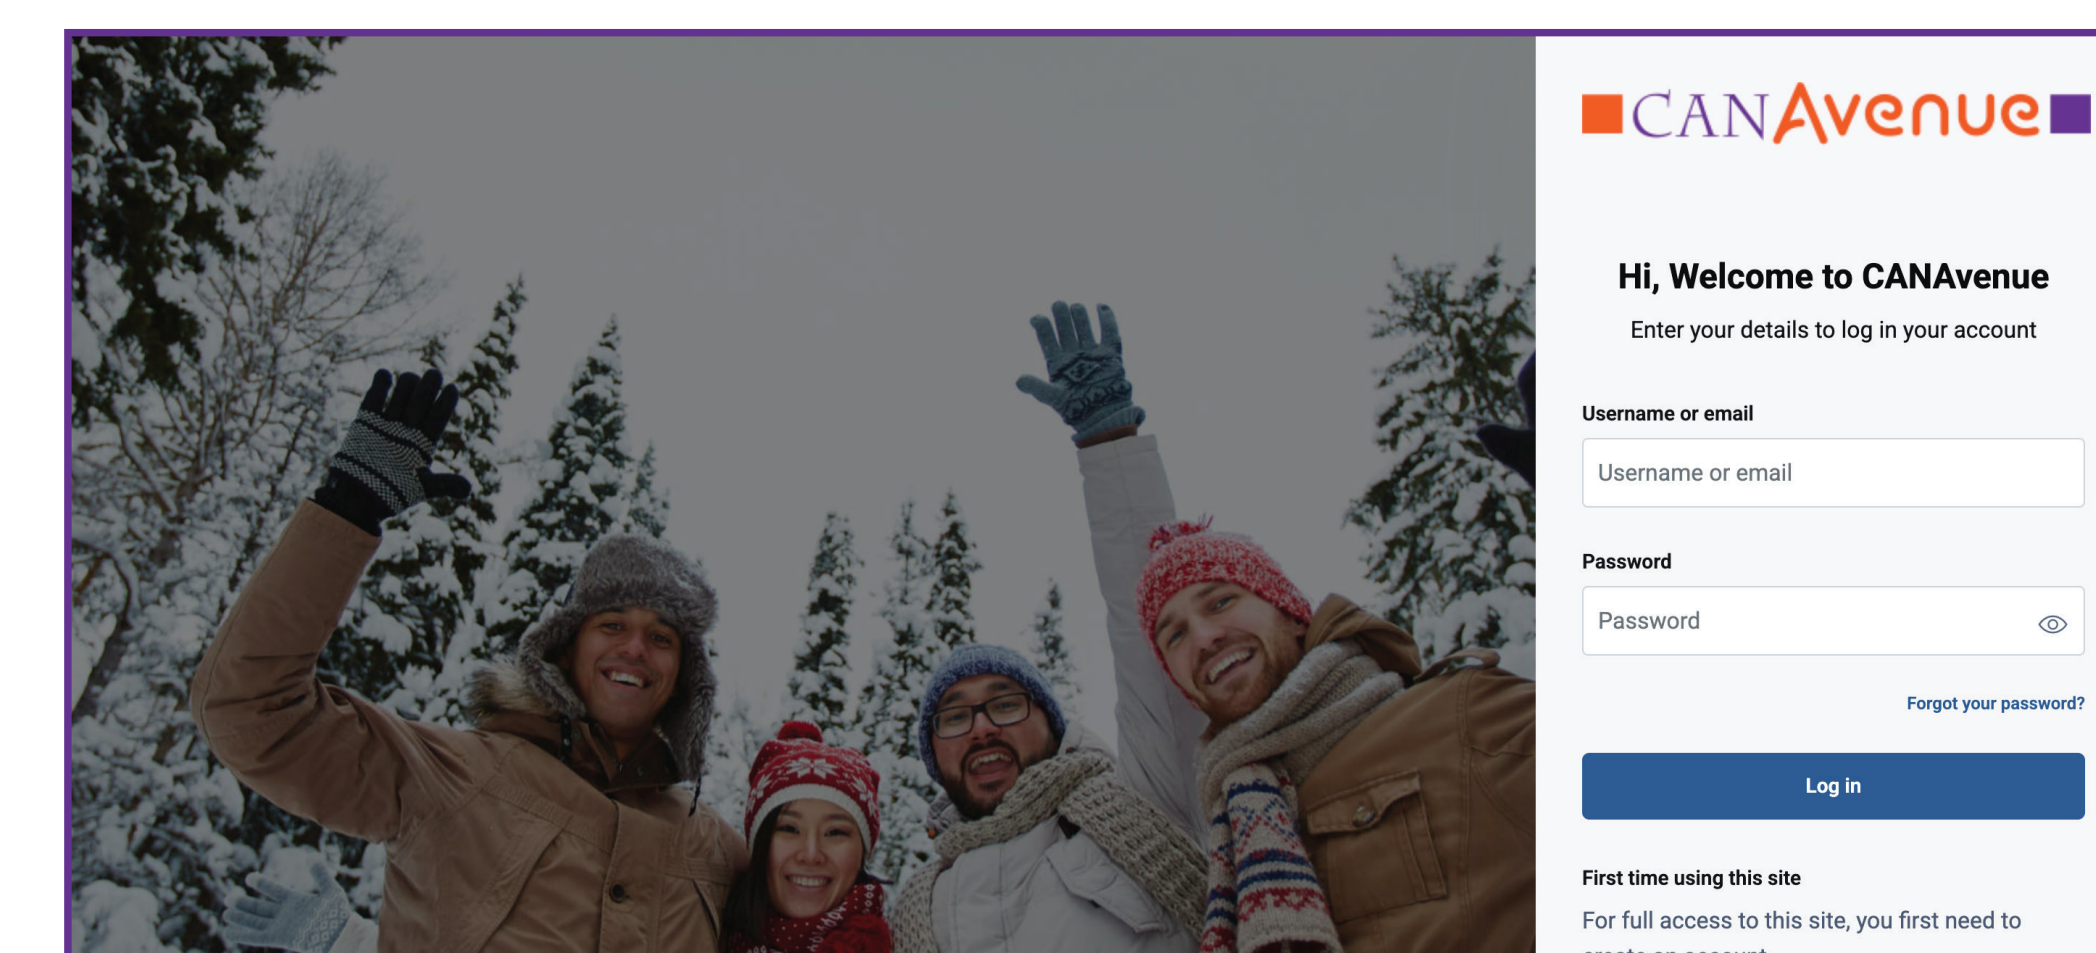

Independent Language Learning course:

Guide to Formal Language Training in Canada:

The CanAvenue Advantage

- Promoting Learner Autonomy
- Providing a Canadian Context
- Supporting LINC and ESL Studies
- Fostering Interactive Engagement
- Ensuring Anytime, Anywhere Accessibility
- Enhancing Digital Literacy
- Evolving as a Dynamic Platform

Insights from Implementation

- **Cultural relevance:** Content tailored to Canadian contexts helps learners connect language learning to real-life situations.
- **Ease of navigation:** A simple, user-friendly design lowers learning barriers.
- **Content Variety:** Multiple online tools and course formats keep learners motivated.
- **Extended access:** CanAvenue's free independent learning opportunities make language practice possible for those with complex schedules or barriers to attending classes.
- **Scalable solution:** CanAvenue serves large numbers of learners without significant cost increases.
- **Model for innovation:** CanAvenue demonstrates how technology can complement federally funded settlement language programs.
